### Shoes in Need

If anyone has school shoes/sports shoes/soccer boots etc suitable for primary aged children (pretty much any size) that they have finished with and that still have some life in them I'd be keen to collect them and donate them to a school where they will be distributed to those who need them.

Please can they be clean and not worn out - just those that are too small for your own kids.

Shoes can be left on my front doorstep anytime - 44 Braithwaite St.

Thanks in advance for your contributions!

A photograph on the right shows a group of students in school uniforms standing on steps. The background has a red and green curved design.

# THE WINTER PROJECT

## WHO WE ARE:

The Winter Project is a student lead charity group run by five year eleven students from Samuel Marsden Karori. We collect second-hand winter woollens and deliver them to schools in the wider Wellington region who are in need of warm woollens for the cold winter months ahead.

## WHAT WE NEED:

Please bring any preloved, clean, warm clothing items in good condition to the box that will be in the school office. These can be anything like scarves, beanies, gloves, blankets, jerseys, tops, warm pants or shoes. The items will be donated to schools in need in the wider Wellington region, to keep the children and their families warm.
