Marsden School Year 10-13 production of Godspell

21-24 May, 7.30pm, Marsden Auditorium, Marsden Ave, Karori

The narrative centres around a group of philosophy students who gather together on the familiar tiles of Cuba St to debate the existence of a God. Cue Jesus, who has come to spread an important message. Jesus enlists the help of the young philosophers to enact a series of parables from the gospel of Matthew. The prodigal son, the sheep and goats, the adulteress and the Pharisees all have a part to play in drawing together this community. The group eventually comes to understand a shared vision - that together we can create a world of kindness, tolerance and love.

Tickets on sale now: Adults \$20 / Students \$16, see the Marsden [School website](#) to purchase yours.
