After last year's successful charity show, 'Meander', Opium entertainment presents 'Meander On' a totally new spectacular as part of the 2019 NZ Fringe Festival. Combining storytelling, music and modern dance to take you on a legendary and original journey.

Conceived by Opium's director, Hannah Dellow, and her cast, the show features story-teller, and singer, Te Kahureremoa (Ladyfruit), performing original songs. Choreographed by dance graduates of Whitireia, and dancers from the Wellington arts community, this show is not to be missed.

Our story tracks the moon cycle, its transformative energies and the journey of eleven sisters, as they explore what it means to be unapologetically her.
