Shoes in Need

If anyone has school shoes/sports shoes/soccer boots etc suitable for primary aged children (pretty much any size) that they have finished with and that still have some life in them I'd be keen to collect them and donate them to a school where they will be distributed to those who need them.

Please can they be clean and not worn out - just those that are too small for your own kids.

Shoes can be left on my front doorstep anytime - 44 Braithwaite St.

Thanks in advance for your contributions!
