## Stationery List – Year 4

---

The following is a list of the stationery requirements for all Year 4 pupils at Karori Normal School in 2024. However, extra items may be required depending on the individual teaching style of the teacher. **This additional stationery list will be given out during the first two weeks of school. The base list, which is provided below, gives you the opportunity to purchase some of the stationery** during the holiday break so that the children will have some of their books, pencils, etc. ready to start at the beginning of the year. It will also enable you to take advantage of the “back to school” specials offered by many of the stationery shops and on the Internet.

**We ask that you buy good quality books and pencils, and have the correct items of stationery as listed. It is not necessary to purchase new clearfiles, rulers etc if you already have them. Please do not name the stationery items.**
