As you will be aware Kelly Sports are the main provider for the above programme. As you have been informed by Hutt City Council, the funding model has changed for next year.

The good news is that Kelly Sports can provide you an athletics or fundamentals programme to cater for your school **at the same or similar price point.**

We are excited to advise you that we can deliver these programmes to your school at a rate of \$2.50 per child per session. *This is based on an 8 week programme at 45 minutes per session with a minimum number of children required.*

However if you wish to do a 4, 5, 6 or 7 week programme instead we can modify a programme to suit.

Kelly Sports also offer a range of other programmes throughout the year, get in touch with us to find out more!
