Marsden School Production – Chicago, High School edition, 25-28 May

You are warmly invited to attend the Marsden School Year 10-13 production of Chicago- High School edition. There will be plenty of 'razzle dazzle'. Chicago - the High School Edition is a satirical look at fame, justice, and the media machine. Set in 1920s Chicago, it follows Roxie Hart, a wannabe vaudevillian star who murders her lover and is arrested, despite her attempts to convince her pushover husband, Amos, to lie for her. In jail, Roxie meets the famed double-murderess and nightclub performer Velma Kelly. When both acquire the same lawyer, tensions come to a head as they vie for the spotlight.
