

Karori Normal School

Stationery List – Years 5 & 6

The following is a list of the stationery requirements for all Year 5 and 6 pupils at Karori Normal School for the full school year 2020. This gives you the opportunity to purchase the stationery during the holiday break so that the children will have named all their books, pencils, etc. ready to start at the beginning of the year. It will also enable you to take advantage of the “back to school” specials offered by many of the stationery shops and on the Internet.

If you have any unused stationery from last year, we encourage you to use these items before purchasing new items.
