

The following is a base list of the stationery requirements for all Year 1 pupils at Karori Normal School in 2020. This will give you the opportunity to purchase the stationery during the holiday break so that the children will have all their books, pencils, etc. ready to start at the beginning of the year. It will also enable you to take advantage of the “back to school” specials offered by many of the stationery shops and on the Internet. As the year progresses additional items will be required. You will be informed of this by your child’s classroom teacher. We are mindful of the costs of stationery and hope that purchasing on an ‘as needs’ basis is more manageable.

We ask that you buy good quality books and pencils, and have the correct items of stationery as listed.
