# Strategic Goals

## Progress and achievement

**We have high expectations for all ākonga. Every child will be supported to progress and achieve**

- We have a strong focus on literacy and numeracy, with processes for tracking and monitoring progress
- We develop the whole child
- We support our teachers to be confident and capable, providing professional development and opportunities for growth
- We identify and work to support priority groups across the school

## Engagement

**We engage effectively with whānau to enable and celebrate ākonga success**

- We improve our reporting process to whānau and provide opportunities for effective parent/teacher conversations
- We strengthen our relationships with whānau, pasifika and migrant families.
- We embed and promote our new school values

## Culture and Environment

**We provide a safe place (physically, emotionally, and culturally) where everyone belongs and thrives.**

- We create environments that enhance learning and wellbeing
- We promote different cultures and celebrate diversity
- We work to ensure the completion of the capital works project

## Honouring Te Tiriti

**We honour Te Tiriti through our curriculum, teaching and school-wide kaupapa**

- We ensure that all children learn about Māori culture, history and their connection to mana whenua.
- We integrate Te Reo Māori into learning activities.
- We maintain and strengthen relationships with Māori and Pasifika communities, acknowledging their special connection and shared experiences.
